

LET'S TALK  
**NDIS**

# Shared and supported independent living (SIL)

Finding the right home is one of life's most important decisions. We can help you find the home you require, based on what you need.

We work with our residents to create a positive living environment in our shared homes and ensure we respond to resident feedback.

Discover a variety of options including short-term transitional units, supported residential centres and long-term communal accommodation.
