Anglicare Tasmania

How this benefits you

We are a not-for-profit organisation

We will not charge you a basic daily fee to visit you at home.

We are focused on providing a service that is efficient so that you receive value for money and can make your funding go further.

We have a statewide workforce

If your support worker is sick or on leave we have a large team that can work with you.

Our freecall 1800 number is answered locally in Tasmania

When you ring us you will be speaking with a local person.

Our Home Care team members always wear a uniform and a photo ID

You can feel confident that the person coming into your home is from Anglicare Tasmania.

All staff must have a Schedule 1 National Police Check and a Tasmanian Working with Vulnerable People Card

Your personal safety is a high priority to us and we will go above and beyond to provide you with peace of mind.

Our services are audited against the Strengthened Aged Care Quality Standards and international Standard Quality Management systems ISO 9001

The delivery of your Home Care Service meets stringent standards for reliability, quality and best practice, which includes a commitment to continuous improvement.

All clients are able to use the MyAnglicareTas App

You can view and manage your care schedule, look at your invoices and care plans, contact us and receive updates from the team.

Anglicare Tasmania

How this benefits you

We offer domestic assistance, nursing, personal care, individual social support and respite support

We will help you to maintain your independence and enjoy the quality of life you hope for.

We have a Clinical Nursing Team

Our nurses can:

- provide comprehensive assessment and care planning
- monitor your health in the comfort of your own home
- attend to dressing wounds, help with continence, work with you on your special diet and help you use equipment
- coordinate your care with allied health professionals such as physiotherapists and podiatrists.

Our team members hold the necessary qualifications and undertake regular training

- They will be guided by you as to the level of care that you need and want
- They will recognise and respond to your changing needs
- They are qualified to assist you with your medications.

We provide a wide range of other services

We provide a wide range of community services that you and your family can access as needed. These include pastoral care, mental health, financial counselling, housing and homelessness, gambling and drug and alcohol support.
