West Coast Support Service

The West Coast Support Service provides support to parents and caregivers with children (0-18 years old).

Supports may include:

- visits to your home,

- connecting you with suitable groups and courses available,
- support in achieving your parenting goals and,
- running playgroups on the West Coast.

The service operates from Anglicare's Zeehan office and provides outreach to surrounding townships on the West Coast.

You can contact us directly or be referred by another service, agency, school and community house (with the consent of the family).
