Creating belonging and building community

Supported Independent  
Living for people living  
with mental health  
challenges (NDIS)

"I enjoy the friendships  
I've made with fellow  
residents at Curraghmore.  
Joining the Curraghmore  
Creations cooking class  
makes me feel included  
and gives me a sense of  
belonging."

North West, Tasmania

Curraghmore is a large and beautifully designed supported independent living property located in Devonport, North West Tasmania. It provides a safe, supportive and restorative environment for people who live with mental health challenges.

Residents living at Curraghmore have NDIS funding for supported independent living on a long-, medium-, and short-term basis, including planned and emergency respite.

Curraghmore also welcomes enquiries for self-funded respite stays or funding from other mental health related programs.

## The residence

This spacious and beautifully designed property is perfectly suited for community living.

**The residence** features:

- + Three **comfortable wings**, each offering **private ensuite bedrooms** with a shared kitchen, dining and living spaces
- + a **commercial kitchen**, main **dining room** and **shared living room** for group meals and activities
- + a **self-contained two-bedroom unit** for single or shared living, with a staff room for onsite support
- + A dedicated **games room** with a pool table, and
- + a calming **sensory room**.

**Outside** residents can enjoy:

- + peaceful **gardens**
- + a communal **vegetable** garden
- + sunny and shaded **sitting areas**
- + a covered **gazebo** and BBQ area, and
- + **basketball hoop**.

## Support available

Residents at Curraghmore have access to a mental health support worker 24 hours per day, including an awake night shift. This ensures residents have continuous access to timely, professional support. Each resident is supported to create a personalised Wellness Support Plan that reflects their support needs, individual preferences and NDIS goals.

### Community and Social

Our team recognise the importance of supporting residents to engage in their community and build and maintain social connections. We encourage participation in meaningful activities that align with their goals and interests.

### Transport

We believe in the power of community integration and encourage our residents to explore and connect with the vibrant community around them. For participants with NDIS Transport funding, we can provide access to a vehicle for their needs.

### Lifestyle

Curraghmore is close to shopping, cafes, cinema's, an aquatic centre, beaches, waterfront walking and bike tracks, healthcare services and public transport.

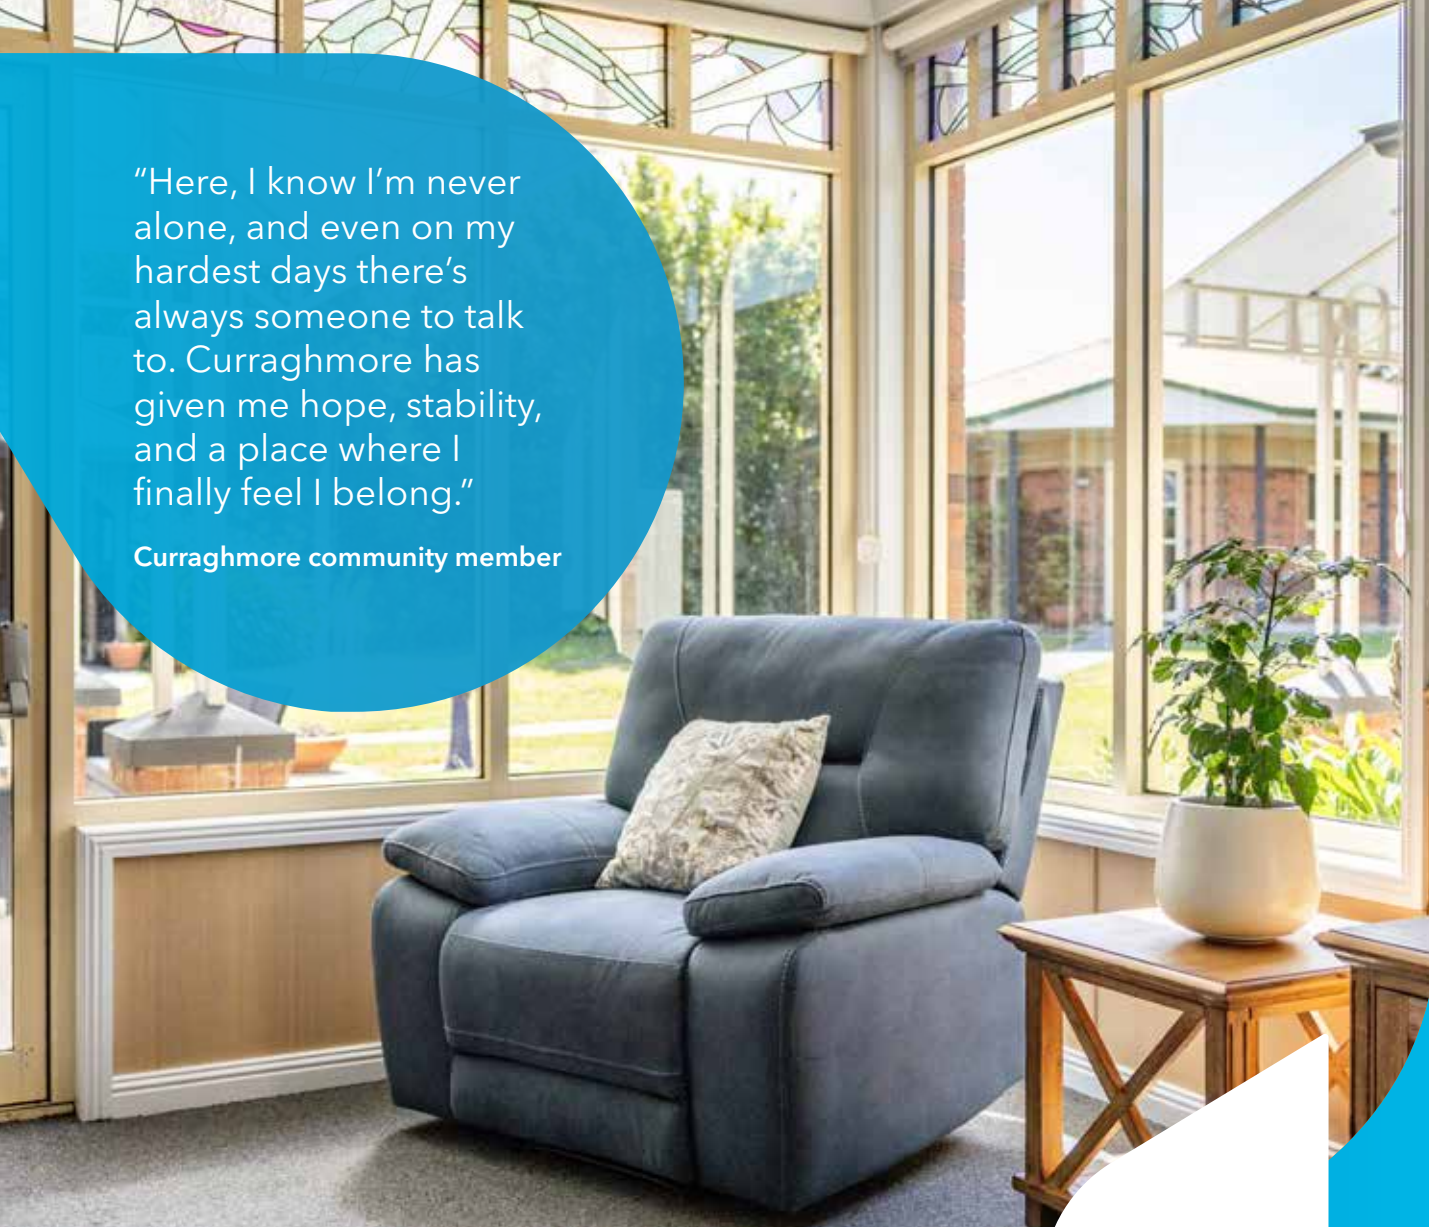

Our team runs a monthly calendar of activities featuring:

- + group cooking sessions
- + bike riding
- + arts and crafts
- + gardening
- + games, walks and outdoor activities
- + local community events, and
- + celebrations.

**Other activities can be arranged based on each residents interests.**

"Here, I know I'm never alone, and even on my hardest days there's always someone to talk to. Curraghmore has given me hope, stability, and a place where I finally feel I belong."
