

Supporting  
your  
Recovery

# Your life, your way, every day.

As Tasmania's most experienced MAIB preferred service provider, Anglicare offer personalised and specialised support from a professional team supporting rehabilitation.

## Personalised support from an experienced team

We understand that each person's needs are unique and our friendly team will take the time to understand you and provide a range of supports that best suit your individual circumstances.

Whether it's short-term support or complex care, Anglicare has Tasmania's largest range of services to support your rehabilitation. Our approach supports you to maintain your connections with friends, family, work and community.

With over 30 years of experience supporting Tasmanians and an established relationship with the MAIB, our skilled team can be trusted to provide you with the best possible rehabilitation support.

## What Tasmanians say about their support

"I've been very impressed with Anglicare. I'm happy to have such wonderful, professional staff"

"The good care of Anglicare and the support of my family have kept me going. I am looking forward to the future... this has made me stronger."

"The staff at Anglicare are fantastic, really professional"

## Quality services you can trust

As a not-for-profit Tasmanian provider, you can trust that our focus is on providing you with the best possible support because we continually invest in our staff training, contemporary facilities and modern approaches to care.

When you choose Anglicare, you choose quality. We have been certified under the rigorous Attendant Care Industry Standard (ACIS) since 2010. To achieve this national certification, our services are independently assessed for their quality.

## A broad range of services to meet your needs

*With over 800 staff throughout Tasmania, and professional specialist staff to meet specific needs, our integrated team work alongside you to build independence and support your rehabilitation. We can assist you with a broad range of supports such as;*

- Household tasks, daily living and self-care
- Specialist health services such as physiotherapists and exercise physiologists
- Personalised nursing support in your own home

- Transport to and from appointments
- Getting out and about and being part of the social life within your community
- Skill development
- Improving overall health and well-being

## You and your family

Following a motor vehicle accident, many issues can arise for families such as financial, relationship difficulties, parenting challenges, mental wellbeing and many more. Anglicare has a broad range of services to respond to these needs.

## The right choice to support your recovery

Anglicare is a trusted leader in professional rehabilitation support for people recovering from a motor vehicle accident. With a broad range of services customised to your individual needs, you can have confidence in your rehabilitation.

If you would like to speak directly with an Anglicare consultant, call **1800 243 232**. Otherwise let the MAIB claims team know that you would like to be supported by Anglicare Tasmania. We look forward to meeting with you.
