

Join hands with Anglicare

You and your Church can support Anglicare's work with people in need.

Here are some ideas for action

Pray

Pray for the work Anglicare does in our community and that our staff, CEO and Board act with wisdom and energy. Pray that those in our community who are struggling will be supported with compassion and fairness. Pray that government decisions will provide hope, respect and justice for all Tasmanians.

Get a grant

Tackle an issue of social justice in the community with Anglicare through the Parish Grants Scheme. Projects may receive up to \$5000 and have included school breakfast clubs, a service directory and lunches for socially isolated people.

Donate

Gifts of cash and items help provide care and assistance to people in need in our community. Recently a donation bought a steam mop for a residential facility.

Volunteer

Assist a service in your area. Contact Margaret who can link you with a service you can support.

Join

Become a member of Anglicare and receive our news. Membership fees go directly to support those in need.

Connect

Support a specific service through prayer, donations or visits. Contact Margaret for information about Anglicare services you might support this way.

Keep in touch

Sign up to receive Snapshot, Anglicare's online newsletter. It will keep you informed of our events and give you more ideas for action.

Contact us

Anglicare's Parish Community Development Worker, Margaret Savage can help your school or parish join hands with Anglicare's work through:

- ideas for school projects
- linking volunteers to services
- parish grants
- information sessions for students and parishioners
- helping anyone who wants to get involved with Anglicare's work in the community.
